PRESENTING AUTHOR’S RESPONSIBILITIES

The person submitting the abstract needs first to identify the presenting author who must be registered to the congress in order to present his/her abstract. As the primary contact for the abstract, the presenting author will be responsible for:

- communicating to all co-authors regarding the acceptance of the abstract;
- obtaining conflict of interest disclosures from them.

ABSTRACT FORMAT AND SUBMISSION

Please respect the following instructions for the preparation of your abstract:

- Your abstract must not exceed 300 words.
- Graphics, photos, scans and images are not accepted as part of the abstract.
- All abstracts will be considered. Some will be selected by the Scientific Committee for oral presentation while others may be selected for presentation in poster form.
- The Scientific Committee will also select two papers which will be supported by PROS for publication in the International Journal of Radiation Oncology, Biology and Physics. All selected abstracts (even those not chosen for oral or poster presentation) will be published in the Abstract Book given out at the Congress.
- There is no limit on the number of abstracts that may be submitted by any author.
ABSTRACT CONTENT

Following sections are required:
1. Objectives
2. Methods
3. Results
4. Conclusion
5. Conflict of interests

ABSTRACT REVIEW AND ACCEPTANCE

All presentations will be accepted based on quality, relevance and space availability after review by the Scientific Program Committee.
